TERMS AND CONDITIONS

Creative Filmmaking ehf. (the Lessor) · apply to each vehicle listed in section 4, from its pickup until the Lessor has checked it in

1. Drivers. Only the Renter and the drivers listed in section 3 of the agreement or on the driver list (annex B) may drive the vehicle. Each driver must be at least 20 years old (23 for 4×4 vehicles, vans and trucks), have held a valid driving licence for at least one year and present it at pickup; a licence not in the Latin alphabet must be accompanied by an International Driving Permit. If anyone else drives, the insurance cover in clause 4 is void and the Renter is liable for all damage and costs. The Renter is responsible for every listed driver.

2. Rental period. A rental day is 24 hours from the pickup time. The vehicle must be returned at the agreed time and place. A return up to 2 hours late is not charged; a later return is charged as an extra rental day per the fee schedule, unless agreed otherwise beforehand. The Lessor is flexible: if you need the vehicle longer, call before the return time and an extension will usually be arranged. A vehicle kept without any agreement is used without authorisation: insurance lapses and the Lessor may recover the vehicle at the Renter's cost. No refund is given for early return.

3. Use of the vehicle. The vehicle may only be used on public roads in Iceland that are open to traffic. Prohibited: off-road driving (illegal in Iceland), F-roads unless the vehicle is marked permitted in section 4 of the agreement, crossing rivers or any water, driving on beaches, sand, lava, glaciers or closed roads, driving under the influence of alcohol, drugs or medication, towing or pushing, racing, carrying passengers or goods for payment, sub-letting, smoking, and taking the vehicle out of Iceland. The Renter must lock the vehicle, never leave the keys in it, hold doors firmly in wind, use the correct fuel, and report any warning light, damage, accident or theft to the Lessor immediately.

4. Insurance. The vehicle carries the compulsory third-party liability insurance and driver accident insurance. Every rental includes the Gold insurance package: Collision Damage Waiver (CDW), Theft Protection (TP), Super CDW (SCDW), Gravel Protection (GP) for stone chips to paint, glass and lights, Sand and Ash Protection (SAAP), wind damage to doors, and damage to tyres, rims and windscreen. The Renter's liability for damage to or theft of the vehicle is limited to an **excess of ISK 65,000 per vehicle, per damage event**; each separate incident carries its own excess, so two incidents mean two excesses. Personal belongings and cargo carried in or on the vehicle are never insured; the Renter carries them at their own risk.

5. Never covered. The following is charged in full, without the excess limit, together with towing, recovery, assessment and loss of use: damage from off-road driving, river or water crossings, F-roads in a vehicle not permitted there, closed roads or any other breach of clause 3; damage to the undercarriage, chassis, oil pan or gearbox; water damage; wrong fuel; ignored warning lights or neglected oil, coolant and tyre pressure; damage caused by an unlisted driver or a driver under the influence; theft from an unlocked vehicle or with the keys inside; interior damage and damage from cargo or animals; roof damage from obstacles, overhead barriers or overloading; damage not reported; consequential loss.

6. Accidents and breakdowns. Call 112 if anyone is injured. Call the police for any accident involving another vehicle, property, an animal or a disputed situation; fill in the accident report form kept in the vehicle, photograph the scene and never admit liability. Report theft and vandalism to the police. Notify the Lessor immediately on the emergency number in section 1 and in writing within 24 hours; otherwise the insurance cover is void. Do not arrange repairs without the Lessor's consent.

7. Fuel, fees and fines. Return the vehicle clean and with the same fuel or charge level as at pickup. Missing fuel, smoking in the vehicle and lost keys are charged per the fee schedule below; a vehicle returned excessively dirty is cleaned at the Renter's cost. The Renter pays all fines, tolls and parking charges incurred during the rental plus the administration fee in the fee schedule, and the Lessor may pass the Renter's details to the authorities. Where a company is the Renter, the company and the driver are jointly liable for all amounts due under this agreement.

8. Damage and assessment. Damage found at check-in that is not recorded in the agreement or the condition record is treated as having occurred during the rental. Cost is based on the Lessor's or the insurer's repair estimate; loss of use may be charged at the daily rental rate for the days the vehicle is off the road for repair. The Renter receives an itemised statement.

9. Lessor's liability. The Lessor hands over the vehicle roadworthy. For a fault not caused by the Renter the Lessor repairs the vehicle, provides a comparable replacement or refunds unused days. The Lessor is not liable for belongings left in the vehicle or for indirect or consequential loss, except where mandatory law provides otherwise.

10. Law and disputes. This agreement is governed by Icelandic law, including Act No. 65/2015 on the rental of registrable vehicles. Disputes go to the District Court of Reykjavík unless mandatory consumer law provides otherwise. The Icelandic text prevails in case of conflict.

LEIGUSKILMÁLAR

Creative Filmmaking ehf. (leigusali) · gilda um hvert ökutæki í 4. lið samningsins, frá afhendingu þess þar til leigusali hefur tekið við því

1. Ökumenn. Aðeins leigutaki og þeir ökumenn sem skráðir eru í 3. lið samningsins eða á ökumannalista (viðauka B) mega aka ökutækinu. Ökumaður skal vera minnst 20 ára (23 ára fyrir fjórhjóladrifin ökutæki, sendibíla og vörubíla), hafa haft gilt ökuskírteini í minnst eitt ár og framvísa því við afhendingu; ökuskírteini sem ekki er með latnesku letri skal fylgja alþjóðlegt ökuskírteini. Aki annar ökutækinu fellur tryggingaverndin í 4. gr. niður og leigutaki ber fulla ábyrgð á öllu tjóni og kostnaði. Leigutaki ber ábyrgð á öllum skráðum ökumönnum.

2. Leigutími. Leigudagur er 24 klukkustundir frá afhendingartíma. Ökutækinu skal skilað á umsömdum tíma og stað. Skil allt að 2 klukkustundum eftir umsaminn tíma eru ekki gjaldfærð; síðari skil eru gjaldfærð sem aukaleigudagur samkvæmt gjaldskrá nema um annað hafi verið samið fyrirfram. Leigusali er sveigjanlegur: þurfi leigutaki ökutækið lengur nægir að hringja fyrir skilatíma og framlenging er að jafnaði auðsótt. Sé ökutæki haldið án nokkurs samkomulags telst það í heimildarlausri notkun, tryggingavernd fellur niður og leigusali má sækja ökutækið á kostnað leigutaka. Ekki er endurgreitt fyrir skil fyrir lok leigutíma.

3. Notkun ökutækis. Ökutækið má aðeins nota á opinberum vegum á Íslandi sem eru opnir umferð. Óheimilt er: akstur utan vega (ólöglegur á Íslandi), akstur á F-vegum nema ökutækið sé merkt heimilt í 4. lið samningsins, að aka yfir ár eða annað vatn, akstur á fjörum, sandi, hrauni, jöklum eða lokuðum vegum, akstur undir áhrifum áfengis, vímu- eða lyfja, að draga eða ýta öðru ökutæki, kappakstur, farþega- eða veruflutningar gegn gjaldi, framleiga, reykingar og að fara með ökutækið úr landi. Leigutaki skal læsa ökutækinu, skilja lykla aldrei eftir í því, halda fast í hurðir í vindi, nota rétt eldsneyti og tilkynna leigusala tafarlaust um viðvörunarljós, tjón, óhapp eða þjófnað.

4. Tryggingar. Ökutækið er með lögboðna ábyrgðartryggingu og slysatryggingu ökumanns og eiganda. Öllum leigum fylgir Gold-tryggingapakkinn: kaskótrygging (CDW), þjófnaðartrygging (TP), aukakaskó (SCDW), grjótkastsvörn (GP) vegna steinkasts á lakk, rúður og ljós, sand- og öskuvörn (SAAP), vindskemmdir á hurðum og tjón á dekkjum, felgum og framrúðu. Ábyrgð leigutaka á tjóni á ökutækinu eða þjófnaði þess takmarkast við **sjálfsábyrgð að fjárhæð 65.000 kr. fyrir hvert ökutæki og hvert tjónstilvik**; hvert einstakt atvik ber eigin sjálfsábyrgð og tvö atvik þýða því tvær sjálfsábyrgðir. Persónulegir munir og farmur í eða á ökutækinu eru aldrei tryggðir; leigutaki flytur farm á eigin ábyrgð.

5. Aldrei bætt. Eftirfarandi er innheimt að fullu, án takmörkunar við sjálfsábyrgð, ásamt drætti, björgun, mati og afnotamissi: tjón vegna aksturs utan vega, yfir ár eða vatn, á F-vegum í ökutæki sem ekki er heimilt þar, á lokuðum vegum eða vegna annarra brota á 3. gr.; tjón á undirvagni, grind, olíupönnu eða gírkassa; vatnstjón; rangt eldsneyti; hunsuð viðvörunarljós eða vanræksla á olíu, kælivökva og loftþrýstingi; tjón af völdum óskráðs ökumanns eða ökumanns undir áhrifum; þjófnaður úr ólæstu ökutæki eða með lykla í því; tjón á innréttingu og vegna farms eða dýra; tjón á þaki vegna hindrana, hæðartakmarkana eða ofhleðslu; tjón sem ekki er tilkynnt; afleitt tjón.

6. Óhöpp og bilanir. Hringið í 112 ef einhver slasast. Kallið til lögreglu við öll óhöpp þar sem annað ökutæki, eignir eða dýr koma við sögu eða ágreiningur er um atvik; fyllið út tjónstilkynninguna sem er í ökutækinu, takið myndir af vettvangi og viðurkennið aldrei sök. Þjófnað og skemmdarverk skal tilkynna lögreglu. Tilkynnið leigusala tafarlaust í neyðarnúmerið í 1. lið og skriflega innan 24 klukkustunda; annars fellur tryggingaverndin niður. Ekki má láta gera við ökutækið án samþykkis leigusala.

7. Eldsneyti, gjöld og sektir. Skila skal ökutækinu hreinu og með sama eldsneytis- eða hleðslustigi og við afhendingu. Vantandi eldsneyti, reykingar í ökutækinu og týndir lyklar eru innheimt samkvæmt gjaldskrá hér að neðan; sé ökutækinu skilað óeðlilega óhreinu er það þrifið á kostnað leigutaka. Leigutaki greiðir allar sektir, veggjöld og stöðugjöld sem til falla á leigutíma, auk umsýslugjalds samkvæmt gjaldskrá, og leigusali má afhenda yfirvöldum upplýsingar um leigutaka. Sé leigutaki fyrirtæki bera fyrirtækið og ökumaður sameiginlega ábyrgð á öllum kröfum samkvæmt samningi þessum.

8. Tjón og mat. Tjón sem finnst við skil og er ekki skráð í samningi eða ástandsskýrslu telst hafa orðið á leigutíma. Kostnaður miðast við viðgerðarmat leigusala eða tryggingafélags; afnotamissi má innheimta á daggjaldi leigunnar fyrir þá daga sem ökutækið er óökufært vegna viðgerðar. Leigutaki fær sundurliðaða kröfu.

9. Ábyrgð leigusala. Leigusali afhendir ökutækið í ökuhæfu ástandi. Komi upp bilun sem leigutaki ber ekki ábyrgð á gerir leigusali við ökutækið, útvegar sambærilegt ökutæki eða endurgreiðir ónotaða leigudaga. Leigusali ber ekki ábyrgð á munum sem skildir eru eftir í ökutækinu né á óbeinu eða afleiddu tjóni nema ófrávíkjanleg lög kveði á um annað.

10. Lög og ágreiningur. Um samning þennan gilda íslensk lög, þar með talið lög nr. 65/2015 um leigu skráningarskyldra ökutækja. Ágreiningsmál skulu rekin fyrir Héraðsdómi Reykjavíkur nema ófrávíkjanleg neytendalög kveði á um annað. Íslenski textinn gildir ef misræmi er milli útgáfa.
